MARKET STREET MARKET

WE EMBRACE AND ENABLE THE SPIRIT OF A PUBLIC MARKET

Opening for the third season on May 6th, MSM will continue to rally together entrepreneurs: non-profit and for-profit alike, with the goal of improving the economic growth and the well-being of the Hillyard neighborhood.

MSM will open with Billy Bob's Produce, a consignment auction, a children's carnival, a mini-Renaissance festival and a dance. Coming this season is a youth sports center with basketball, boxing and wrestling. We also provide an alternative location choice for meetings, events, activities, sports and other occasions. All of Spokane and our neighbors are welcome!

Hillyard Neighborhood Council

HILLYARD NEIGHBORHOOD COUNCIL

The Hillyard Neighborhood Council (HNC) is the place where community information comes together to be discussed and decided upon for and by all of Hillyard - businesses and residents alike. HNC is the conduit from our neighborhood to the community council and the city. Your input can easily start here as it heads to city hall.

We encourage all Hillyard organizations to attend and report on the activities and events going on in your organization. This is a great way to keep the entire community informed. The Hillyard Neighborhood Council meets the 3rd Wed of every month, at the NE Community Center at 6:30 pm. All are welcome.

**ONLY IN HILLYARD CAN YOU BE
INVOLVED IN YOUR COMMUNITY
BOTH IN PERSON AND ONLINE**

HISTORIC-HILLYARD.COM

Hillyard has seen many changes over the years and the next several will prove to be no different. Big changes are occurring in our community. To keep up with what's happening and to keep you informed we offer you Historic-Hillyard.com. The mission of Historic-Hillyard.com is to receive and dispense information to the Hillyard community for the purpose of uniting and growing all Hillyard; to bring the business and industrial districts together at one table; to involve the community – young and old alike. Big things are happening in Hillyard and communication is critical.

Historic-Hillyard.com offers two editions each month, on the 5th and the 20th. We follow a newspaper-style presentation with community news and human interest pieces. The *Front Page* feature alternates between a Hillyard 'Business on Track' and stories and articles about Hillyard's "Past, Present and Future". We have an editorial column, a computer column, and a book review with a twist. We also provide important, timely community information. All front page articles are archived. Other sections within the site include a *Business Directory* and an *Events Calendar*. The *Community* section offers information, agendas, minutes and meeting times for various Hillyard organizations. Advertising space for your organization or event is also available. Anyone can offer articles, photos, events and more – in fact, we encourage community input.

We also offer a *Community Forum*. This is the place to speak your mind; a place for Hillyard to hear you loud and clear. Some important topics are discussed, but it's also a place to have fun and to get to know your online neighbors.

Check us out. Get involved. Be a part of the future of Hillyard.

Get on track!
