## Meeting Info:

What: The Hillyard Steering Committee Fall General Meeting.

When: Wed. Oct. 24th, 2007, 7pm

Location: Shaw Middle School, 4601 N Coot St, Cafeteria

## Featuring

The Fall General Meeting will include a presentation on how your Steering Committee works and what they've been working on, good conversation, civic pride and refreshments. This year, we've instituted a policy that all Capital Improvement fund recipients give an accounting of how our funds have been used. We will be getting presentations both from these Capital Improvement fund recipients, but also next year's potential Social Service funds recipients.

In 2007, the Hillyard Steering Committee spent over \$175,000, 15% is

being spent on public/social services and the remainder on capital projects. Hillyard will be funded the same amount in 2008 and *we need your input*. Come and join us.

## 2007 Hot Button Issues:

- Northeast Community Center Expansion
- Harmon Park Improvements
- Mann Hall Redevelopment
- Downtown Hillyard Streetscape/Repaving
