Movie Synopsis:

Are you getting the most out of your tax dollars? Are you well represented by your legislators? In Washington State, citizen activist Tim Eyman has this to say:

“There are thousands of politicians, bureaucrats, lobbyists, and special interest groups working each and every day to raise your taxes. Shouldn't there be at least one person, one team, one organization that fights to lower your taxes?”

Is Tim Eyman a sly huckster out to hoodwink the public or is he a citizen activist fighting for the public good? The answers may surprise you!
